TESTIMONIALS

"Words cannot express how absolutely AMAZING Godfather Films is. My husband and I have decided that this was the very best investment that we could have made... EVERY SINGLE TIME I watch our videos, I cry like a baby!! The videos allow us to relive how absolutely spectacular our wedding was. I am even taken back by moments that I missed because I was too busy being a bride :) The wedding videos truly take us back in time to cherish the most amazing weekend of our lives."

- *David & Leila ~ St Regis Bahia Beach Resort, Puerto Rico*

"John is amazing! I can't think of even one negative. I strongly recommend him for any wedding. He filmed our wedding in Anaheim. He was so great to work with that we hired him to come to Oregon for our hometown reception -- so glad we did."

- *LuAn & Brian ~ Disneyland Resort, California*

"Godfather Films exceeded my hopes and provided the highest quality of service I could imagine. The entire team was extremely professional and a pleasure to work with. I received so many compliments on the same day edit that was showed at the wedding. The end product was also amazing and my husband and I were thrilled with our video. Words cannot express how happy I was with Godfather Films. They truly are the best at what they do!!!"

- *Kelly & Chris ~ Villa Siena Gilbert, Arizona*

"Booking John with Godfather Films to shoot our wedding was the best planning decision we made. We did a destination wedding in Grand Cayman and our video included 3 days of footage along with scenic island shots. As a wedding planner myself I have extremely high standards when it comes to vendors, and John was everything I could have hoped for and then some. All of my guests commented on how great he was and how non-intrusive he was with the cameras...I would highly recommend Godfather Films to any couple looking to work with the best in the business!! THANK YOU JOHN!!"

- *Kyle & Andrew ~ Caribbean Club, Grand Cayman*
